FORNHAM ST MARTIN cum ST GENEVIEVE PARISH COUNCIL

Standing orders are the written rules of a local council. They are used to confirm a council's internal organisational, administrative and procurement procedures and procedural matters for meetings. They are not the same as the policies of a council but they may refer to them. A local council must have standing orders for the procurement of contracts.

Meetings of full council, councillors, the Responsible Financial Officer and Proper Officer are subject to many statutory requirements. A council should have standing orders to confirm those statutory requirements. A council should have standing orders to control the number, place, quorum, notices and other procedures for committee and sub-committee meetings because these are subject to fewer statutory requirements. If it does not, committees and sub-committees may adopt their own standing orders.

Standing orders that are in bold type contain statutory requirements. Council has adopted them without changing them. Other standing orders not in bold are designed to help councils operate effectively but do not contain statutory requirements so they may be adopted as drafted or amended to suit a council's needs. For convenience, the word "councillor" includes a non-councillor with or without voting rights unless otherwise stated.

The Council's standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the Responsible Financial Officer.
